

Rishi Gupta

Gainesville, Florida | +1 (352) 682 - 9032 | gupta.rishi@ufl.edu

EDUCATION

University of Florida

Gainesville, Florida

Master of Science in Construction Management (MSCM)

Fall 2025 - Graduating Fall 2026

Relevant Coursework: Project Planning & Scheduling, Cost Estimation, Construction Operations, Contract Administration

Birla Institute of Technology Mesra

Ranchi, India

Bachelor of Architecture (Graduated First Class with Distinction)

August 2017- May 2022

Relevant Coursework: Building Construction & Materials, Project Management, Construction Technology, Structural Systems, Building Services & Mechanical Systems

WORK EXPERIENCE

Studio Tueeyo

Remote

Project Architect

November 2023- July 2025

- Managed end-to-end project delivery for 7 retail projects including high-end jewelry, clothing, and cookware experience centers, consistently meeting budget and schedule targets.
- Partnered with Studio-X (UK-based firm) to develop comprehensive design guidelines and phased rollout schedule for 100+ experience centers across India for Birla Opus Paints, coordinating multi-site implementation strategy.
- Led project planning and controls for a luxury residential retreat in the Himalayas, developing detailed construction phasing plans, cost estimates, and scheduling milestones for modular cottage construction.
- Coordinated cross-functional teams and stakeholder communications throughout project lifecycle from concept through construction documentation.

Aspect Design

Mumbai, India

Design Technology Consultant

June 2024 - January 2025

- Led the firm-wide transition to BIM workflows, ensuring consistency in design standards.
- Created training guides and documentation that enabled seamless onboarding and standardization of practices.
- Established file organization methods, worksharing protocols, and an asset library plan to streamline collaboration.

WARD FOUR Architects

Bangalore, India

Junior Project Architect, Trainee

Dec 2021- July 2023

- Managed stakeholder engagement with US-based clients to define project scope, functional requirements, and spatial programming for a 500-bed multi-specialty hospital in Nairobi, Kenya.
- Oversaw construction administration, site coordination, and value engineering initiatives for two Fortis Healthcare projects in New Delhi, managing subcontractor schedules, change orders, and ensuring project deliverables aligned with budget constraints.

SKILLS AND INTERESTS

Project Management: Project planning and scheduling | Cost estimating and budget control | Risk management & Stakeholder coordination | Construction administration | Value engineering | Multi-site project coordination | Construction phasing and sequencing

Technical: BIM (Revit, AutoCAD) | MS Project/Primavera P6 | Excel (advanced formulas, data analysis) | Construction cost databases | Digital project delivery | Process improvement | Quality control standards | Construction documentation

Professional: Cross-functional team leadership | Client relationship management | Technical documentation | Training and mentorship | Process standardization

CERTIFICATIONS: OSHA 30-Hour Construction Safety | Procore Certified: Project Manager
