

Rishi Gupta

Bengaluru, India | +91 8210208963 | mailrkg3@gmail.com

EDUCATION

Birla Institute of Technology Mesra

Bachelor of Architecture

Ranchi, India

August 2017- May 2022

- Graduated First Class with Distinction
- Elected as the delegation leader for the National Association of Students' of Architecture.
- Co-ordinator of the departmental Students' Society of Architecture in 2018-20.
- Professional development completed in building construction, architectural, mechanics and energy efficient planning.

TEACHING EXPERIENCE

Novatr (Online Learning Platform)

BIM Instructor - Industry Guide

Bangalore, India

June 2023-Present

- Taught Revit and BIM to four cohorts over two years, comprising 200 - 300 architects, civil engineers, and industry professionals.
- Designed course modules, developed hands-on exercises, and optimized content delivery to enhance engagement and learning outcomes.
- Provided career guidance and interview preparation to help participants transition into BIM roles.
- Created assignments focused on modeling and detailed drawings, and conducted workshops on real-world industry practices, including techniques for producing clear, construction-ready ("idiot-proof") documentation.

Institution of Engineers (India) - Civil Engineering

Workshop Co-ordinator

Bangalore, India

June 2023-Present

- Conducted annual 7 day workshops (AutoCAD, Revit) for first and second year students for 2 consecutive years.

AR 3303 Construction Techniques and Building Codes

Workshop Co-ordinator

Ranchi, India

June 2023-Present

- Conducted annual 7 day workshops (AutoCAD, Revit) for first and second year students for 2 consecutive years.

WORK EXPERIENCE

Studio Tueeyo

Architecture and Design Technology Innovation

Remote

November 2023- Present

- Working as a generative AI engineer for architectural visualization.
- Helping design and construction firms do concept renders and presentations using custom built AI models.

Aspect Design

Consultant Architect

Mumbai, India

July 2023-Present

- Took over 5 commercial design projects over the span of 4 months. This included end to end design delivery (From space planning, service design to project execution and handover).
- Built concept layouts and Good For Construction (GFC) drawings for the design and execution of a national retail chain. This design post successful execution would be used as a template for expansion across the country for approx. 75 locations.

WARD FOUR Architects

Junior Project Architect, Trainee

Bangalore, India

Dec 2021- July 2023

- Consulted with US-based clients to determine functional and spatial requirements of a new structure for a 250 bedded multi-specialty hospital in Nairobi, Kenya.
- Created and modified drawings in AutoCAD and Revit for creating layout templates for typical rooms in hospitals.
- Oversaw work of subcontractors, conveyed updates, and managed construction administration and value engineering processes for the Fortis Healthcare project in Delhi.
- Studied local architectural regulations and codes of multiple countries and regions to assist with designing.
- Utilized Autodesk Revit to complete designs, model renderings, and specification details for various small projects and proposals.

SKILLS & INTERESTS

Skills: Construction Automation, Computer vision in AEC, Machine led operation analysis

Software Proficiency: Rhino 3D, Revit, BIM, CAD, Python

Interests: Additive manufacturing, Material research and analysis, Prototyping, Automation in Prefabricated building construction.

RELEVANT COURSEWORK

Building Materials

- AR 1301 Building Materials (Grade: A)
- AR 2303 Advanced Building Materials (Grade: A)

Structural Analysis and Design

- AR 2407 Statics and Strength of Materials (Grade: A)
- AR 3407 Structural Mechanics (Grade: A)
- AR 5308 Structural Design (R.C.C.) (Grade: B)
- AR 6308 Structural Design (Steel) (Grade: B+)

Construction Techniques and Services

- AR 3303 Construction Techniques and Building Codes (Grade: B+)
- AR 4407 Surveying (Grade: B)
- AR 3305 Building Services (Sanitation) (Grade: A)
- AR 6301 Building Services (Electrical) (Grade: A+)
- AR 4301 Building Services (Acoustics) (Grade: B+)

CAD and BIM

- AR 3308 CAD and BIM (Grade: A)

Project Management and Planning

- AR 9103 Construction Management (Grade: A+)
- AR 8307 Disaster Management and Planning (Grade: B+)
- AR 6406 Specification, Estimation and Costing (Grade: A)

Mathematics and Programming

- MA1105 Mathematics (Stats and Probability) (Grade: B+)
- CS1302 Fundamentals of Programming (Grade: A)
